

For more than 30 years, HR People & Strategy (HRPS) has facilitated connection, knowledge sharing, and skill building among HR executives, practitioners, academics, consultants, and other business leaders involved in aligning people management strategies with business objectives to create high performing organizations and competitive advantage.

Most of today's top thought leaders have been a vital part of HRPS' history and continue to contribute to our journal, *People & Strategy*, our conferences, forums and other events.

As a member of **Rocky Mountain Human Resources People and Strategy**, an *Affiliate* of HRPS, you are eligible to receive the following benefits from HRPS during your membership period:

- \$50 discount on a hard copy subscription to *People & Strategy* journal
- Free access to electronic archive issues of *People & Strategy* journal
- Online access to the HRPS Knowledge Center
- Business Book Summaries from BBR®
- \$100 discount on HRPS conference registrations
- HCI Executive Membership
- i4cp Membership

To help you obtain maximum value from these benefits, we've provided additional details and instructions for how to access them below.

Important note! You'll need to login to www.hrps.org to access these benefits. If you haven't already updated your login information the default login is your email address for the *username*, and CHANGE_ME1 as the *password*. If this combination doesn't work, please [click here](#) for support. *If you need further assistance, please [contact HRPS](#).*

\$50 Discount on *People & Strategy* Journal Subscription (hard copy)

People & Strategy is a quarterly-published journal that contains articles providing human resource management research, trends, strategies and practices that contribute to the achievement of organizational effectiveness. Book reviews are also included in the journal.
